

## **Cosmos Manufacturing Inc. Quality Policy**

**Our mission at Cosmos Manufacturing Inc. is to be the premier provider for the design, development, and manufacturing of exhaust systems and components for small and medium sized engines.**

**Cosmos strives to provide unparalleled expertise, quality, service, and support. We will establish quality objectives; as well as commit to continual improvement of the Quality Management System.**

**Our relentless pursuit of customer satisfaction enables us to earn and sustain long term business relationships.**

**Sincerely,**

**John Michelon  
President  
Cosmos Manufacturing Inc.**
